NCDA Intergroup

Contribution Form

NCDA is the guardian of the area service of Debtors Anonymous. One of the Intergroup's main purposes is to uphold the Twelve Traditions of Debtors Anonymous, and to insure that when discussions come in conflict with any of the Traditions, the Traditions shall always prevail.

Why Do We Need an Intergroup?

The purpose of the NCDA Intergroup is the coordination of Debtors Anonymous activities common to various groups comprising its membership. Such activities include:

Furthering the Debtors Anonymous program in accordance with the Twelve Traditions of Debtors Anonymous;

Maintaining a communication network for Debtors Anonymous in this area.

The mission of Intergroup is to carry the message and to serve these meetings. Currently it accomplishes this by:

- Providing a forum for discussion between meeting representatives to compare notes and share information.
- Maintaining and distributing regular meeting lists (the *Prosperity Times* newsletter).
- Sponsoring two recovery events each year that are open to the whole membership.
- Maintaining a reserve of DA literature that is available for purchase at events.
- Maintaining a telephone information line to let people know about local meetings.

How do I know how much money to contribute?

It is suggested that after meeting its own expenses and creating a prudent reserve, each group send 45% of its funds to NCDA intergroup. Contributions should be made at regular intervals, e.g. quarterly.

How much money does Intergroup need?

Intergroup's annual expenses have ranged from \$5,000 to \$10,000 over the past four years.
